

why iV? a healthy diet and daily multi-vitamin might not be enough to boost your energy and sharpen performance. our iV's ensure nutrients are infused, optimally.

iVp member sitting fee: \$49* | non-member sitting fee: \$75*

*sitting fee may be covered by extended health benefits. must be an iVp member and only applies to 45-60 minute formulas

\$25 - \$35 formulas

iV multi

john myers, the inventor of the 'myers cocktail' would be proud. the best 45 minutes you can spend helping to restore your body's nutrient + electrolyte balance

formulated to help re-establish essential vitamins, minerals + amino acids and to help promote optimal health

weekly iV's, even mightier than your daily multi-vitamin

sitting fee + \$25

iV rehydrate

a healthy and all natural hang-over prevention and recovery treatment

formulated to restore electrolytes, hydration and energy, all while flushing out some of the toxins

a perfect way to end your fun-infused weekend or weekday...

sitting fee + \$25

iV under the weather

an iV 'one-two punch' to help knock out the symptoms of the cold or flu

formulated with potent anti-oxidants like vitamin C, zinc and selenium that enhance immunity

infused at the onset of symptoms helps to minimize the time spent fighting the cold or flu

sitting fee + \$35

\$40 - \$50 formulas

iV sport

slightly different than our iV performance formula but still effective in helping you rehydrate and recover

a blend of essential amino acids and free radicals fighters to support optimal physical conditioning

for the everyday athlete or the weekend warrior looking for some 'fuel'.

sitting fee + \$40

iV de-stress

helps to balance the 'fight or flight' response that may lead to fatigue and chronic illness

powerful anti-oxidants help stave off stress while high dose B vitamins help elevate energy and improve focus

ideal for everyone and the successful executive's secret to staying ahead of the competition

sitting fee + \$45

iV immune

always sick? this is your first line defense

a 'super charged' mixture of antioxidants, trace minerals and immune enhancing 'extras' to augment your body's natural immune defenses

help yourself get well and stay healthier with a series of immune enhancing iVs

sitting fee + \$50

iV skinny

helps to optimize your metabolic rate and maintain nutrient status while on a weight loss program

lipotropic factors and metabolic boosters help you shed those extra pounds

an important weekly treatment that can be combined with the iM skinny shots

sitting fee + \$50

iV pretty

an inside out' beauty treatment to promote glorious skin, hair and nails

amino acids and potent B vitamins to strengthen and lengthen thinning hair and weak, brittle nails

maximum results achieved when combined with our imbuir vitamin and mineral supplements

sitting fee + \$50

iV recovery

from minor to major, every surgical procedure's 'best friend'

specially selected amino acids and nutrients to restore collagen, speed healing, and minimize scar/adhesion formation

for best results, begin 2-4 weeks prior to surgery and continue for 4-6 weeks after

sitting fee + \$50

\$60 - \$75 formulas

iV performance

an athlete's dream iV to help promote optimal muscle function and to speed up recovery

a blend of essential amino acids and free radicals fighters to support optimal physical conditioning

for every athlete, from the ironman triathlete to the weekend warrior

sitting fee + \$60

iV fountain of youth

the ultimate iV for healthy aging

an elite mixture of powerful age defying nutrients and antioxidants combined with a glutathione boost

for those who are young at heart and want to look that way too

sitting fee + \$75

iV bespoke

unsure of what iV to choose? ask our experts to customize something just for you

designed to optimize the vitamins, minerals, and nutrients that you uniquely need

comprehensive nutrient screening can also be performed to help create your ideal iV cocktail

sitting fee + \$75
